

SPECIALTY COURSE

A) Introduction.

In order to match the market demand for products different from the traditional Neapolitan pizzas, we introduced a single day course focused on specialty pizzas.

In particular, we will teach how to make:

- The Pizza Montanara (deep-fried pizza).
- The Gluten-Free Pizza.
- The Whole Wheat Pizza

The program is divided into 2 periods:

1 – Theoretical period.

The 30 minutes time will provide the student with a basic understanding of the gluten-free products:

- Intolerance to gluten.
- Composition of the gluten-free flours.
- Rules and behaviors.
- Safety Environment.

2 – Practical period.

The 7 hours training will be focused on:

- 1) Switching on the oven and learning how to bring it to proper temperature and how to maintain it during baking.
- 2) Preparing the dough by hand following the recipe and forming the dough balls.
- 3) Preparation, cooking, topping and serving of different kinds of deep-fried pizza.
- 4) Gluten Free Pizza. How to:
 - prepare the dough (ingredients and processing doses).
 - open the dough and form the disc in the proper way.
 - put the ingredients and cook the pizza at the optimal temperature and time using the proper tools.
 - serve the pizza.

At the end of the period, you will receive a certificate of completion of the course and a VPN gift bag that will include:

- 1 bag of gluten-free flour.
- 1 can of Italian peeled tomato.
- 1 small bottle of Extra Virgin Olive oil

Uniform:
